- About Us:

- Picture of myself
- Cassie Wagstaff has been interested in photography for most of her life. She got her first camera when she was 12 years old and her first DSLR when she was 18 years old.

Between high school yearbook committee and college photography courses, Cassie has learned a lot.
- Cassie started printing her photographs a year ago. She quickly discovered that clients loved to have their photographs printed for them as well. So between photoshoots and editing, she is also running to the print shop to order and pick up those prints for clients.
- Cassie prints through Quick Ship and Copy in Rexburg, Idaho. Check out her pricing {link}. She can print at multiple sizes, which can also be found on the pricing page. Quick

Ship and Copy has been a very reliable printing location. Cassie hopes to one day own her own printer and work on everything herself.

- Most of Cassie's clients are in Rexburg. But she is willing to ship prints to clients outside of Rexburg, with a small shipping fee.
- Cassie is also willing to take portraiture photography for those who specifically contact her. Please contact {link} her for your next session! Photoprints can be included.

- Portfolio:

- Include pictures
 - Landscape (Buildings, city, nature, etc)
 - Creative (Photoshopped images)
 - Products (Food, Clothing, etc)
 - Portraits (Families, children, engagements, weddings, etc)
- Include history of picture
 - Example: Dew Rose
 - This photograph was taken for a class assignment using her Nikon D3200, 70-200mm lens, and macro filters. There was some editing that went into the post-process of this photo to ensure that the highlights and shadows were emphasized. More of the color was brought out as well, along with some spot healing on some imperfections on the rose. Each photograph is important to us and we want to make sure each gets the right amount of time and edits to ensure you get the best quality!

- Testimonials:
 - "I love printing with Cassie Wagstaff Photoprints. The prints come out so pristine and colorful. Her work is absolutely beautiful! I bought a copy of the 'Bannock House' and love it. It hangs right in my living room above our fireplace. I also bought a copy of the 'Dew Rose' which hangs in my daughters nursery. I receive so many compliments on her art and definitely plan on purchasing more."

 - "Cassie Wagstaff Photoprints has been a very reliable printing source. I don't trust those online distributors who aren't personable. Cassie Wagstaff includes a personal note in each package and often has included coupons for our next purchase."
